Dear

Will you host a Mardi Bras Party? This party is your chance to make a real difference in the lives of the women served at Hope House and the Women's Hearth.

Throw an in-house, public or virtual party, collect donations and drop them off. It can be just that easy. Join us in collecting bus passes, pads, tampons, underwear and of course bras for homelessness and low-income women in our community.

Can't host a party?
